7. Adjourn

Minutes of the Roosevelt Arts, Parks and Recreation Committee

September 2, 2020

Roosevelt Utah

Call to Order by Wendy Nicholson at 7 pm.

Roll Call: Shannon Staker, Amy Snow, Emily Graham, Robin Hatch, Erica Lafferty, Rhett Gilley, Daniel Mauchley, Rowdy Cloward, Phillip Bertoch, Wendy Nicholson, Lee Nicole Marett, Preston Kadleck

Minutes: Motion to approve the minutes by Daniel Machley, 2nd by Emily Graham. Voting was unanimous in favor of approving the minutes.

Business: No Business

Reports from Committees:

Arts: Peter Pan Jr summer camp went well. There were 107 children who auditioned. All participants wore masks. There was a lot of positive feedback. This program will replace the Missoula Children's theater in the future. Phillip Bertoch suggested that high school clubs offer service hours.

Parks: Some city sports are going on now. No flag football this year. They are hoping to get it going for next year. There was also no baseball this year.

Recreation: Suggested the idea that we have a combined committee event—possibly July 4th. It could be a fund raiser to fund the subcommittees. LeeNicole Marett said, if this happened, Roosevelt City would need to approve a fee schedule adjustment. Right now, vendors are not charged a fee. Maybe a fee cold be charged, and the subcommittees would get the proceeds.

There will be a family dinner night and Disc golf grand opening September 28, 2020. This is also the National Eat Dinner with your Family night. There will be food trucks. Northeastern Counseling will give away free frisbees. LeeNicole Maret will reserve Constitution Park. There was a motion by Phillip Bertoch for the Committee to sponsor Family Dinner Night with a second by Rhett Gilley. Voting was unanimous in favor of the event.

Plans for the new nature park are moving forward. Some in the group expressed concern that the hospital is also planning to do a nature park.

The Recreation subcommittee would like to do a cross country ski race this winter at the golf course. They would need a groomer, a place to house it and a person to run it. The subcommittee will investigate what it would take to get a groomer. LeeNicole Maret suggested they meet with Ryan Clayburn and other city employees to discuss the possibilities.

City Council Report: Nothing to report.

A motion to adjourn by Wendy Nicholson with a second by Emily Graham. The voting was unanimous in favor of adjourning.

Next meeting: October 7, 2020
